

INTERNATIONAL CENTRAL GOSPEL CHURCH
EMPOWERMENT TEMPLE | PROVIDENCE COUNTY-RI

March 17th 2020

Grace and Peace from our Lord Jesus Christ be upon you and your household.

As the world goes through the COVID-19 pandemic, various directives have been issued by the civil authorities governing our cities, states and countries.

Our General Overseer, Dr Mensa Otabil, has directed all the ICGC branches to adhere to their corresponding civil authorities' directive.

In accordance with the State of Rhode Island directive, discouraging any gathering of 25 or more persons, we will be suspending our in-person services. We will however transition to online and broadcast services as such.

The broadcast timings will remain same as the in-person service timings. I will endeavor to send you periodic updates of current happenings.

Please note that in **Exodus 8:21,22; 9:25,26; 10:22,23**, a place called **GOSHEN**, which was inhabited by God's people, was **SPARED** of all the plagues that attacked mainland Egypt.

I pray over your life and your families, that you will be located in the Goshen of our day and time, and that you will be **SPARED** from this pandemic COVID-19.

Remain blessed and protected under the anointing of the Holy Spirit.

Shalom

Rev Nana Danquah
