

INTERNATIONAL CENTRAL GOSPEL CHURCH, EMPOWERMENT TEMPLE, RHODE ISLAND

**GENERAL SAFETY GUIDELINES TO REOPEN FOR CHURCH SERVICES
IN ACCORDANCE WITH DIRECTIVES FROM THE STATE OF RHODE ISLAND**

On behalf of Rev. Nana and First Lady Danquah, and the leadership of the ICGC Empowerment Temple, we are pleased to reopen the church premise for worship services. Given the present public health crisis, we trust that the Lord's protection is upon you and your family. That being said, we ask that you always wear your masks, stay home if with children or your health is compromised, wash and sanitize your hands frequently, and limit person-to-person contacts, to promote a safe worship experience for all.

We describe further here:

Always wear a face and nose mask to church services. Additional masks would be available upon request. We advise that you access church services virtually via our zoom (meeting ID: 9157874309 & password: ICGC-RI), YouTube Live or Facebook Live platforms if:

- You have children
- You are experiencing respiratory or chronic ailments

Frequently use hand sanitizers and disinfectant wipes provided at vantage points in the sanctuary particularly:

- Before and after handling the credit card machines
- Before and after use of microphones

For sitting arrangements:

- A family is a unit and should sit together
- Individuals or a family unit should sit 6 feet apart

To limit person-to-person contact:

- There will be prayer, worship, and Word ministrations only
- There will be no praise ministrations
- Adhere to social distancing guidelines after church service. Example, refrain from hugging and handshaking

Thank you for adhering to these safety protocols and considering the safety of yourself, your family, and fellow brethren!
